

Natural Food Products

Central America

About Us

Our mission is to bring closer authentic flavors and memories to all lovers of Latin America in the United States.

Emerging Markets-US sells and distributes hard to find ingredients, natural remedies, gifts, crafts and local products from 16 countries of Latin America.

We are based in California and serve the entire United States including Alaska, Puerto Rico, Hawaii and Guam. Our web page is designed to give confidence and security to individuals, restaurants and supermarkets.

We have approximately 1400 products, and receive new ones upon request or popularity.
